

During the summer, on-campus housing is available for students who meet the following criteria.

Qualifications:

All applicants shall qualify within one of the following categories:

- > 1. Be an enrolled degree-seeking student at Harvey Mudd College and be a participant in summer research or in-person Mudd Summer Session course at Harvey Mudd College.
- > 2. Be a full-time (at least 30 hrs/week) research or academic department/administrative office student employee of Harvey Mudd College.

- > 4. Received approval from ResLife to participate in summer housing.

Summer housing will be offered in Linde, Sontag, South, and Garrett House (NEW). Students with a check-out before July 19 will pull into South. Students who completed the housing contract after the April 21 deadline cannot participate in the Summer Room Selection Process on April 30. Students will be able to select a room after April 30. Availability will be limited. Should a student pull into South but have a departure after July 19, they will have to move to Drinkward first floor the weekend of July 19.

The room selection process will be similar to regular room draw in the sense that rising seniors will go first, then rising juniors, and then rising sophomores (see times below). Additionally, numbers will be randomly generated for participants. There are no legacy suites, in-dorm, tuples, or frosh bumping. We **will not** have a digital or mock draw for the summer room process. Students will select a room in person on April 30, from 4pm to 5:30pm in the Green room. **If you cannot attend, please complete this [proxy form](#) by 11:59 pm on April 29.**

Summer Room Draw will occur in the following order in the Green Room:

- 1. Rising Seniors/Seniors: 4 to 4:30pm**
- 2. Rising Juniors: 4:30 to 5pm**
- 3. Rising Sophomores: 5 to 5:30pm**

Numbers will be randomly generated by class year. Students will receive their numbers by EOD Sunday, April 27. We will follow the same "Dorm-Specific Draw Regulations" outlined in the Room Draw Regulations.

Day of:

1. When your number is called, you can either
 - a. Pull a room
 - b. Pass and select a room anytime after you pass
2. If you want to pull, you will approach the ResLife staff members after your number has been called. They will verify that your pull is valid. Just like in regular Room Draw, make sure that everyone involved in your pull is present or has completed the proxy [form](#). You will share which room(s) you are pulling, names, and numbers.
3. During your pull, you can optionally mark living preferences on the whiteboard for your suite or nearby area, as long as this language is not hurtful or intimidating. It is strongly encouraged for people to respect these preferences and to refrain from pulling into living situations that have differing preferences; this can create a very uncomfortable living arrangement for everyone involved. We also encourage all parties to have a conversation about living preferences.

Gender Preference Form: The deadline to preference a suite is **Monday, April 29 at 5 pm. The Garrett House cannot be Gender Preferred.** Please complete this [form](#) if you intend to gender preference your suite.
